ORDER

The Commission's March 4, 2021 Order, pursuant to 807 KAR 5:056, Section 1(12), initiated the two-year review to examine the application of the Fuel Adjustment Clause (FAC) of Jackson Purchase Energy Corporation, Kenergy Corp., and Meade County Rural Electric Cooperative Corporation (collectively Cooperatives or individually Cooperative) from November 1, 2018, through October 31, 2020. As part of the review, the Cooperatives were to file within 30 days of the date of the March 4, 2021 Order their respective responses to requests for information contained in the Order.

On April 2, 2021, Jackson Purchase Energy Corporation (Jackson Purchase) filed with the Commission a motion requesting an extension of ten days until April 15, 2021,¹ to file responses to the Commission's March 4, 2021 Order.

As grounds for its motion, Jackson Purchase states that its Chief Financial Officer who is charged with gathering and organizing the data for the required information was,

¹ Thirty days from the date of entry of the March 4, 2021 Order is Saturday, April 3, 2021. Pursuant to 807 KAR 5:001, Section 4(7), when the date prescribed for responding to an Order is a Saturday, Sunday, or legal holiday, the period shall run until the end of the next business day. Here, because the responses were due on a Saturday, the date for filing the responses to the requests for information was Monday, April 5, 2021.

for personal reasons, unable to work in the office where the records are located, and therefore was unable to timely obtain the documents. Jackson Purchase states that granting the short extension will not result in any prejudice and will not cause hardship to the parties or undue delay to administration of the case.

The Commission finds that Jackson Purchase has presented sufficient grounds for its motion to be granted and that granting the extension will not result in prejudice or undue delay.

IT IS THEREFORE ORDERED that:

1. Jackson Purchase's motion for an extension of time in which to file responses to the Commission's March 4, 2021 Order is granted.
2. Jackson Purchase's responses to the Commission's March 4, 2021 Order shall be due no later than April 15, 2021.
